History & Culture Series 2019

New Mexico Before Columbus

by Alan Osborne

Sunday, March 27, 1-2pm

New Mexico's long and fascinating human story is often overlooked or condensed in our history books.

This presentation will look at the time before Columbus and include Paleo-Indian, Archaic, and classical Ancestral cultures whose presence is now much clearer and better understood.

Buen Provecho!

Join us for refreshments following each History & Culture Series event.

BYF: Landscape for Life Series:

This nationally recognized program covers the basics needed to plan and design your home garden landscape focusing on sustainability permaculture, wise use of limited natural resources.

Each workshop builds on information shared from previous classes and offers tools to assess your home landscape. Participants who attend all five sessions will receive a certificate and have a chance to win a free rain barrel and other giveaways.

All the workshops are from 9am to noon with an extended mentor hands-on project for interested participants who want practical experiences and do not mind getting their hands dirty.
